LET'S GET IT PAID OFF!

Church Family,

It's time to step out in faith again, but in a different way!

We have a goal to be DEBT FREE IN THREE (years, that is)!

It's been an incredible 14 years serving Jesus throughout the Denver Metro Area. In this short amount of time we've seen God grow a congregation from just a handful in the basement of a rented Aurora church, into a thriving community of believers that literally reaches around the world. As we prayerfully consider what's up ahead, we're excited by the marvelous possibilities that await us!

Calvary Aurora has come to yet another season of expansion and growth that I'm asking you to pray about. We have been praying about opportunities to expand and grow the facilities here to accommodate our growth both in the school and church family, as well as future plans for expanding to accommodate what God continues to do with the anticipation of a Bible College and other vital ministries. With the recent addition of the extended parking lot, we have reached the limits on our property.

IT'S TIME TO STEP OUT IN FAITH AGAIN - BUT IN A DIFFERENT WAY!

We believe the Lord is calling us to get out of debt while we prayerfully consider and carefully pursue expanding.

As you look back on the faithfulness of God here at Calvary, you'll see how paying down our debt aggressively - while expanding without adding to our debt - has always been a priority.

While I believe we have wisely used "unrighteous mammon" for the glory of God, I believe also it's true when the Bible says:

The rich rules over the poor, and the borrower is servant to the lender.
Proverbs 22:7

You're invited to join us in this wonderful adventure of both expansion and reaching the goal of being **"DEBT FREE IN THREE (years)"** or sooner!

Each and every time God has brought us to this place, He's rallied us in prayer to seek His perfect will and His perfect timing.

While we look at these practical matters of ministry, please know that while they are important, they will never become the biggest priority of our fellowship family. As I've said before, Calvary Aurora is a bright light in a dark community. We really want to make the biggest difference in this world that we can before we leave it. We have, as a leadership team and board of elders, sought to be the best spiritual stewards of His resources over the years and we've seen God's blessing along the way. God has accomplished much with what He's entrusted to us and we look forward to what's up ahead! It's time to step out in faith yet again!

I'm asking you to pray and seek God's heart for these wonderful open doors of opportunity.

By His Grace,

Ed
